At registration you will receive:

2 X Swim Hat Numbers

1 X Back of either hand tattoo

1 X Timing chip to be worn on on the outside of your wetsuit on either ankle

If another athlete takes part with your details, you will both be disqualified and banned from all future AWE events.

STAYING SAFE

- The swim start is self-ranking with a single wave start. Faster swimmers should position themselves at the front and slower swimmers towards the back.
- Athletes must take care when entering and exiting the water. Water Safety is on hand to help should you need them and you can still complete the course: it will **NOT** result in a DQ.
- **Should you need assistance during the swim, lie on your back and put your arm in the air (for this reason only forward-facing strokes ONLY are permitted during the swim).**
- If you fail to start after registering, you **MUST** report to the race officials before the start of the race, this is for safety reasons.
- We reserve the right to withdraw anyone from the race who appears to be suffering from the cold during the dry land run between laps. We advise athletes to bring warm clothing to change into immediately after their race. Athletes must wear a wetsuit which covers their chest and thighs and athletes are **NOT** permitted to wear boots or gloves

IF YOU ARE UNABLE TO FINISH, PLEASE REPORT TO AN OFFICIAL OR YOU WILL BE CLASSED AS A MISSING PERSON

MARSHALS

Please be advised all marshals are volunteering their time for free and without their assistance we would not be able to put the race on. Please respect marshals. Any abusive behaviour or language will result in immediate disqualification.

It is your responsibility to know the route and to ensure your own safety on course. Marshals are there purely for reference and directional purposes and are not permitted to stop traffic.

TIMING & RACE NUMBERS

During registration, you will receive a **swim hat** that you **MUST** wear on top of any other hat, a **hand tattoo (on any hand)**, **2 swim hat tattoos** and your **timing chip**.

Your timing chip **must be on the top** of your wetsuit and **facing out**. Failure to do so will result in **no time**. If you lose your chip in the swim, you must report to a timing official at the finish line. Failure to return your timing chip during or after the event, will incur a £100 fee which must be paid within 7 days of the event if the chip has not been returned.
