- Ensure that you mount/dismount prior to the line marked outside of the transition. There must be no cycling in transition.
- Please do not use mobile phones or listening devices that may impair your hearing or concentration in any way on the course (including transition) as this will lead to disqualification. When racing, you need to be aware of other competitors and the general public (both on foot and live traffic).
- You MUST wear a safety helmet on the bike that is of ANSI Z90.4, SNELL B90, EN 1078 or equivalent. A CE mark is not an approved standard. The strap to your helmet must also be snug in its fitting and not altered in any way (and definitely not elastic). These will be checked visually when racking your bike.
- Any fittings on your bike (computers, handlebar extensions) must be positioned, to prevent injury in the event of a crash. All handlebars and tri bars must be plugged. This

will be checked visually when racking your bike. You will not be allowed to rack if they are deemed dangerous.

- Bikes must be single-rider only - tandem bikes are not permitted.

- If you have registered and decided last minute not to start the event, please report to an official with your timing chip.
- The course is comprehensively marshalled and signed with black arrows and fluorescent background.
- If a referee thinks you are drafting there is no appeal against this decision. The rule of thumb is to be squeaky clean. It is cheating. If you are caught drafting once you will be penalised with a 2-minute penalty. If you get caught a second time you will be disqualified.
- It is your choice to enter the water.

If you read this and follow the advice, you should always be on the right side of the rules. Remember the referee will always be willing to answer any questions you may have however his/her decision is final.

PENALTIES

> *It is your responsibility as a competitor to know to be aware of the penalties for not following the rules.*

DRAFTING PENALTIES:

General Rules:

- Failure to comply with Competition Rules may result in a competitor being verbally warned, incurring a time penalty, or disqualified;
- Competitors may only be penalised by officials & moto referees although infringements may be reported to the Official by marshals and other race personnel.
- Penalties may be issued, or disqualification given at any time up to the announcement of the final results, as communicated by the Event Organiser. The exception is where drug testing is involved, or where a concern is raised as to non-compliance of an individual's race category, when the results must be considered provisional until the outcome is known;
- Unless safe to do so and as not to place either the Official or competitor at risk, Motorcycle Officials will not be required to provide an audible or visible warning for a drafting violation.
- Athletes must obey the specific traffic regulations for the event.

Warning:

- The purpose of a warning is to alert a competitor about a possible rule violation and to promote a proactive attitude on the part of Officials. An Official can also provide a warning to a competitor to correct a minor infringement;
- A verbal warning may be given when:

(i) A competitor violates a rule unintentionally;

(ii) An Official believes a violation is about to occur;

(iii) No advantage has been gained.

- It is not necessary for a Official to give a warning prior to issuing a more serious penalty.
- A verbal warning will be given for the following infringements where the infringement can be rectified, (but are not limited to):

(i) Illegal equipment (swim, cycle or run equipment);

(ii) Banned equipment (including, but not limited to, mobile telephones, MP3 players, metronomes, personal video recording devices);

(iii) Illegal progress (during swim, cycle or run);

(iv) Racing with an exposed torso, including zips not fastened. (during cycle or run);

(v) Littering on the course unless disposed of in specified littering zones provided by the Event Organiser.

- If corrective action is not taken to remedy the infringement, the competitor will be disqualified.

Draft zone:

The bicycle draft zone will be 12 metres long measured from the leading edge of the front wheel. A competitor may enter the draft zone, but must be seen to be progressing through that zone.

A maximum of 25 seconds will be allowed to pass through the zone of another competitor. Consecutive attempts to overtake with no success may lead to a drafting infringement;

Time Penalty:

- A time penalty is an appropriate penalty for infringements which do not warrant a disqualification;
- Where there is no appropriate penalty box available on the course in which to serve a time penalty, the penalty will be added to the competitor’s finish time;
- There are two types of infringement where a competitor can be penalised with a time penalty:

These include, but are not limited to:

- Placing markers in transition that cannot be removed, but do not impede the progress of others;
- Race number violations (if unable to be rectified after a warning);
- Helmet violations (unclipping helmet whilst in contact with the cycle) unless corrected;
- Riding in the transition area, including over the mount/dismount line unless corrected
- Time penalties vary depending on the type of infringement: (i) Drafting infringements:

- 3 minutes in long-distance races (first and second drafting violations noted by a Motorcycle or Official);
- 2 minutes in middle distance races (first and second drafting violations noted by a Motorcycle or Technical Official);
- 1 minute in standard distance races (first violation noted by a Motorcycle or Technical Official);
- 30 seconds in sprint or shorter distance races (first violation noted by a Motorcycle or Technical Official).

Any penalties issued after the violations will result in a DQ.

Penalties for Drafting:

- It is forbidden to draft in a race declared as draft-illegal;
- Officials will notify competitors who draft they are subject to a time penalty sanction; it is the competitor's responsibility to ensure they are aware of any penalties that have been awarded against them;
- Where there is no appropriate penalty box available on the course in which to serve a time penalty, the penalty will be added to the competitor's finish time;
- The penalties awarded for drafting are detailed above.
- Unless safe to do so and as not to place either the official or competitor at risk, Technical and Motorcycle Officials will not be required to provide an audible or visible warning for a drafting violation;
- Drafting violations cannot be appealed.
